

COMMUNITY INDICATORS OF WELLBEING WORKSHOP - 5 & 6 SEPTEMBER, 2006

On behalf of the Australian Bureau of Statistics (ABS) I would like to invite you to participate in a Community Indicators of Wellbeing Workshop on Tuesday 5 and Wednesday 6 September 2006. The workshop will be held in the Theatrette, 1 Spring Street Melbourne.

In recent years, there has been an increasing demand for the development and use of community indicators to assist with the measurement of community health, wellbeing and sustainability.

The workshop will provide an opportunity to share knowledge of international and Australian developments in community indicators of wellbeing. It will also provide a forum for discussion of the issues and the way forward in the development of community indicators within the Australian context. The agenda for the workshop, a map showing the venue, and a list of convenient accommodation are attached.

Attendance at the workshop is by invitation so an early indication of your ability to attend would be greatly appreciated. Please RSVP by Friday 25 August to Rachel Bucsuahazy at rachel.bucsuahazy@abs.gov.au or phone (03) 9615 7075. Should you have any queries about the workshop they can be directed to Christine Sergi at c.sergi@abs.gov.au or phone (03) 9615 7695.

We look forward to your attendance and participation in the workshop.

Yours sincerely

Vince Lazzaro
